Click download or read now, and The Field of Blood: Violence in Congress and the Road to Civil War can you read on your phone.

The previously untold story of the violence in Congress that helped spark the Civil War

In *The Field of Blood*, Joanne Freeman recovers the long-lost story of physical violence on the floor of the U.S. Congress. Drawing on an extraordinary range of sources, Freeman shows that the Capitol was rife with conflict in the decades before the Civil War. Legislative sessions often were punctuated with mortal threats, canings, flipped desks, and all-out slugfests. When debate broke down, congressmen drew pistols and waved Bowie knives. One representative even killed another in a duel. Many were beaten and bullied in an attempt to intimidate them into compliance, particularly on the issue of slavery.

These fights didn't happen in a vacuum. Freeman's dramatic accounts of brawls and thrashings tell a larger story of how fisticuffs and journalism, and the powerful emotions they elicited, raised tensions between North and South and led toward war. In the process, she brings the antebellum Congress to life, revealing its rough realities--the feel, sense, and sound of it--as well as its nation-shaping import. Funny, tragic, and rivetingly told, *The Field of Blood* offers a front-row view of congressional mayhem, and sheds new light on the careers of John Quincy Adams, Henry Clay, and other luminaries, as well as introducing a host of lesser-known but no less fascinating men. The result is a fresh understanding of the workings of American democracy and the bonds of Union on the eve of their greatest peril.

Field | Definition of Field by Merriam-Webster He gazed out across the fields. She hopes to find work in the health field. She is a pioneer in the field of genetic research. a lawyer who is eminent in his field working in his chosen field a fascinating field of endeavor . Verb. The shortstop fielded the ground ball.
